

TENA *Pants*
Ultimate simplicity in
incontinence management

FeelDry™

Provides outstanding dryness, through quick inlet and excellent retention.

Breathable backsheet™

Gives extra comfort and helps skin stay healthy. The soft, cloth-like material makes TENA *Pants* not only comfortable to wear, but also very discreet – no plastic rustle.

Body-Close™ Fit

Making them less bulky, resulting in increased discretion and an improved sense of dignity for the user. The products will also be softer, improving comfort.

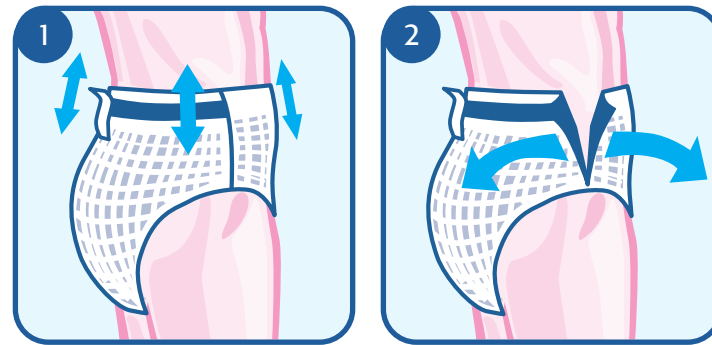

Anti Leakage Barrier™

For a comfortable fit and maximum leakage security.

Easy to put on, even easier to remove

- 1) Pull up just like normal underwear.
- 2) Tear at the sides for easy removal.
